

*Shelly Henderson*

AUTHOR-TEACHER-ARTIST

Shelly Henderson is most at home on her family's Black-Angus Cattle Ranch, in the Blue Mountains of Oregon. She loves riding her horse; Concho, traveling, creating art with clay, and immersing herself in a good book. She is currently in the Hawaiian Islands working as a missionary teacher's aid and teaching art. Her future plan is to return to college to get her masters in art, so she can teach at a college level
